

## **CITY OF DUNCAN PUBLIC WORKS DEPARTMENT**

### **NOTICE SIDEWALK SNOW CLEANING**

#### **Don't be slow . . . clear your snow**

At this time of year, snow and ice is hazardous for everyone – especially Senior Citizens and children. The City of Duncan reminds you to consider the safety of others in making an effort to keep our sidewalks and steps clear and ice free. Business and shop owners/occupants should be especially considerate, as should residential home owners. Clear the sidewalks in front of your property. A few extra minutes of shoveling snow makes a big difference.

The City also encourages residents to be thoughtful and caring of neighbours and relatives who may have difficulty clearing the snow by themselves. Please!!! . . . Lend a helping hand to those who need assistance.
